

MobiliPass Package

"As an employee, your company takes care of your professional mobility through the subsidy granted by Action Logement Services? Are you a private individual who would like a simplified relocation service while benefiting from support during the cultural transition?"

The Mobili-Pass package is made for you!"

Thanks to this package, you will benefit from an assistance in the procedures related to:

- ✓ **immigration,**
- ✓ finding the most appropriate **accommodation,**
- ✓ the organization of your **move,**
- ✓ **administrative matters** (opening a bank account, getting a mobile phone, social security, health insurance, car insurance, etc).
- ✓ turning on **utilities** (electricity, gas, internet, landline).

We also offer you our **cultural and linguistic series** enabling you to better understand the specificities of France in terms of social life, corporate culture, school system, etc. You will also be able to discover the **key sentences** for a large number of situations related to your relocation.

Benefit from **3 months of online French courses** to help you master the French language as quickly as possible.

We help you find a **school** that meets your children's needs, if applicable.

We will assist you **by email up to 3 months** after your arrival (answer within 72 hours guaranteed), in order to help you solve any problematic situations that may occur.
