

## Cultural transition support

*Save time by quickly understanding French cultural codes: we will guide you through your new environment so that you and your whole family can easily settle in. From French courses to monitoring your children's French schooling, whenever needed, we are here to help you.*

Thanks to this package, you can access a wide range of services:

- ✓ Personalised pre-departure discussions to answer all your questions (compiling needs and representations, adapting proposals, etc.)
- ✓ Specific support for the couple, when one of the partners suffers from the relocation (mediation interviews, help in finding a job, etc.)
- ✓ Assistance with the cultural transition (better understanding the specific characteristics of France, avoiding pitfalls, etc.)
- ✓ Discussions to clarify problematic situations and provide timely answers
- ✓ Enrolment of children in a school and in leisure clubs that suit their profile (sports activities, artistic activities, etc.)
- ✓ Regular school monitoring by a licensed teacher so as to ensure the integration and school performance of the children
- ✓ Online French courses (innovative support based on authentic, motivating cultural resources)
- ✓ French face-to-face tuition or videoconference courses, adapted to your level and expectations and/or those of your family
- ✓ Contact with local associations and groups of Expats, in order to facilitate your local integration
- ✓ Guided tour of the new living environment and the city to boost the geographical identification process
- ✓ Phone helpline.
