

VIP Package

"Are you looking for a complete and personalized service including relocation, concierge services and cultural transition? Are you interested in a high-quality offer based on trust and responsiveness? Our VIP package is made for you!"

Thanks to the VIP package, you benefit from a complete **relocation, cultural transition and concierge service** for you and your family up to **three months** after your arrival.

- ✓ We assist you in **immigration** procedures, in finding your **accommodation**, in organising your **move**, in the various administrative procedures (opening a bank account, mobile phone, social security, health insurance, car insurance and so forth) and in setting up **utilities** (electricity, gas, Internet, landline).
- ✓ We also help you find a **car** that suits your needs.
- ✓ Give us your time of arrival: a car with driver will pick you up at the **airport/train station** and take you to your new home/the hotel of your choice.
- ✓ We offer you our **cultural and linguistic series** (2 written episodes per week) allowing you to better understand the specificities of France in terms of social life, corporate culture, school system, etc. and to discover the key sentences for a large number of situations related to your relocation.
- ✓ You can benefit from 3 hours of **cultural transition discussions**, making it easier for you to understand the French way of life.
- ✓ **6 hours of French face-to-face tuition** or videoconference courses are also included in your package: enough to make your arrival and settling in easier. You will also be able to benefit from **six months of online French courses**.
- ✓ Make it easier for your **children to settle in**: we suggest schools and leisure clubs, adapted to their needs, and assist you during the registration process.
- ✓ Enjoy our **concierge services** for a period of three months: finding house staff (cleaning lady, gardener, cook, babysitter), putting you in touch with craftsmen, general practitioners or specialists, supervision by an accountant or tax lawyer to manage your tax return, or meetings with a wealth advisor. Let us also organize private events or trips, etc.
- ✓ Entrust us with your **shopping list** or give us your **laundry** to wash, for the first six months: you will thus have time to get used to your new life.

We will be pleased to assist you by **email** (reply within 48 hours guaranteed) or by **telephone** (from Monday to Friday), for a period of 3 months: we are there for you whenever you need us!
